ENGINEERING & TECHNOLOGICAL
ADVANCES

International Conference on Modern Engineering & Technological Advances 2016

Unique Conferences Canada and
International Center for Research and
Development” are proud to announce the
International Conference on Modern
Engineering & Technological Advances
2016(EngTech2016) which will be held
on **13-14 August 2016 at the Ryerson
University, Toronto, Canada.**

Send your abstracts to

<http://www.engineering3000.org/abstracts/>

Official Website

<http://www.engineering3000.org/>

Main Themes

- Aerospace Engineering & Technology
- Civil Engineering & Construction Technology
- Chemical Engineering & Process Technology
- Mechanical Engineering & technology
- Electrical Engineering & Electronic Engineering
- Computer Engineering & technology
- Bio-engineering & Biomedical Engineering
- Environmental Engineering
- Agriculture & Food Engineering
- Industrial Engineering
- Nuclear Engineering
- Plastics Engineering & Polymer Science
- Systems Engineering
- Mining & Petroleum Engineering

EngTech2016
is your place for building relationships with others who excel in Modern Engineering & Technological Advances. Learn about best practices, and establish network with future collaborators in your domain.

Why Join EngTech2016 in Canada?

- ❖ **Global audience to listen your presentation.**
- ❖ **World class speakers**
- ❖ **03 Day conference program**
- ❖ **Post conference study tours**
- ❖ **Publication of your paper with Canadian ISBN number & online**
- ❖ **Best awards for PhD students**
- ❖ **Explore Ryerson University & University of Toronto**

Vital Information
